Police Legacy currently support Legatees ranging in age from 2 years to 100 years. Funds raised from this event will go towards establishing a Leadership and Mentoring program for teenaged Legatees who have lost a parent.

This will also be a special evening for Melinda Schneider, herself the daughter of a former serving Police Officer and part of the Legatee 'family'.

More information on the work of NSW Police Legacy can be found at www.policelegacynsw.org.au

Limited seats are available and we hope that you can join us for what will be a fun filled evening supporting the families of the men and women of our NSW Police Force.
